

Literacy

We will continue to work in our RWI groups to learn new sounds to help us to read and write words. We will also begin to develop our understanding of what we read.

Talk for Writing

Our book for this half term is 'The Hungry Caterpillar' by Eric Carle. We will be making story maps to help recall events in the story. We will also make changes to the story to invent a new story.

Our topic for the half term

Why do ladybirds have spots?

Through this topic we will be looking at different mini beasts in the local environment, naming them and exploring similarities and differences. We will also be looking at the different parts of flowers.

Expressive Art and Design

We will be painting pictures of different mini beasts using appropriate colours and making pebble beetles.

Communication, Language and Literacy

We will be working on listening attentively for longer periods of time, following instructions of more than one step and answering questions appropriately.

Maths

We will focus on composition of numbers 9 and 10 including corresponding subtraction facts. We will also be looking at 3D shapes, pattern, weight, and the days of the week.

Understanding the World

RE

We will be learning about the celebration of Eid and relating this to other special times we may celebrate.

Computing

We will be using cameras to take photographs of different mini beasts in their local environment. We will also be learning how to program toys to move in different directions.

Physical Development (Every Wednesday)

During this half term, we will be doing gymnastics. We will be making up our own sequences and using the apparatus to climb through, on, under and across.

PSED

We will be thinking about healthy eating and dental hygiene.

British Values

Children will be encouraged to solve conflicts and take turns and share.

Dates for your diary

19th April - Start of term
3rd May - Bank Holiday (school closed)
6th May - Polling Day (school closed)
28th May - Term ends non-uniform day £1
