

Literacy

We will continue to work in our RWI groups to learn new sounds to help us to read and write words.

Talk for Writing

Our book for this half term is a non-fiction book called 'We Travel So Far' by Laura Knowles and Chris Madden. We will be reading the book, talking about the journeys the different animals make and finding out about the countries the animals live in. We will be writing lists, fact sheets and writing stories about the animals.

Maths

We will continue to look at addition and subtraction. We will look at different strategies to work out answers and solve simple word problems.

We will be estimating, doubling and halving numbers. We will also look at days of the week, ordinal numbers and 3D shapes and their properties.

Physical Development (every Thursday)

During this half term we will be looking at different outdoor games and practising

skills for our Sports Day.

Our topic for the half term will be:

Journeys.

During the topic we will be learning about where we live and what it would be like to live in a hot or cold country. We will also be thinking about journeys to the seaside.

Expressive Art and Design

We will be making pictures and collages, maps and models of different animals from our class book and different types of transport.

Communication, Language and Literacy

We will be working on answering in sentences. We will continue to listen to class stories and share ideas.

Understanding the World

We will be finding out about different countries, what it would be like to live there and how to get to the countries. We will be making and looking at maps.

RE

We will be learning about different Bible stories.

Computing

We will be programming code-a-pilars, and the bee-bots to move in different directions. We will also use the iPads and laptops to access age appropriate software.

PSED

We will be thinking about transition and moving onto a new class.

British Values

Children will be encouraged to have respect for themselves and others and begin to understand the need to be patient and take turns.

Dates for your diary

12th June Curriculum afternoon

14th June R1 Kingswood

21st June R2 Kingswood

26th June Sports day

27th June Reserve sports day

2nd July Family morning

3rd July Summer Fair 2.30-5pm

11th July Parents' evening 3.30-6pm

16th July Transition morning

17th July Picnic
