

**Year 1**  
**SPRING TERM: Cold Lands and Hot Lands**  
**Home Learning Log**

Choose at least one English task, one maths task and one topic/science task from the table below. The tasks are ranked accordingly, from 1 star being the easiest level to 3 stars being the hardest. You can choose which level you complete. If you wish to, you could complete more than three tasks.

Star Ranking:	ENGLISH	MATHS	TOPIC/SCIENCE
	As we are reading Harry and his bucketful of dinosaurs, research and write your own list of dinosaurs and write some sentences to describe them.	Roll 2 or 3 dice and add the numbers together.  +  +  = 10	Draw a picture of a winter scene and add labels.
	Write a set of instructions on how to make a sandwich. Include a list of equipment and ingredients and number your instructions. If you can take a photo, we would like to see your sandwiches.	Go on a 3D shape hunt around your home. Draw and name the objects that you find, try to find 3 for each 3D shape named; sphere, cuboid, cube, cylinders.	Create a winter scene based on the Antarctic. Use card board from cereal packets or other items around the house to make your sculpture.
	Write a spring poem using your knowledge of rhyme.	Use a 5p, 10p, 20p, 50p coin and create different money subtraction sums using the coins. Example; 50p-5p= 45p	Research Antarctica and create a presentation of your findings. This could be done in a power point, a poster or a written presentation.

**Challenge:** Create and complete your own task related to your class topic.

**Please complete and return to your teacher by Friday 8<sup>th</sup> February 2019**
