

Nursery News

15.02.19

This week in Nursery...

In family group the children have been finding out about polar bears. In maths we have been practising counting. We have also been exploring different shapes and using them to make pictures. The children have been playing games to improve their listening and attention. We also explored some ice in the outdoor area.

Shape of the week *hexagon*

Number of the week *6*

Homework

The children have brought home their blue home learning books. The children can record something in their book that they do during the half term break. This might be a drawing, writing, photographs, bus/ train tickets or leaflets from places you have visited.

Thank you

After half term in Nursery...

Our new theme will be 'People who help us'. We will also be finding out about different types of vehicles.

Reminders

School is closed for next week for half term and Monday 25th February (inset day). School reopens on Tuesday 26th February.

Please ensure all items of clothing are labelled as this helps us to ensure the children have the correct items, this is particularly important for jumpers and cardigans.
