

**Year 4**  
**AUTUMN TERM: TITANIC**  
**Home Learning Log**

Choose at least one English task, one maths task and one topic/science task from the table below. The tasks are ranked accordingly, from 1 star being the easiest level to 3 stars being the hardest. You can choose which level you complete. If you wish to, you could complete more than three tasks.

Star Ranking:	ENGLISH	MATHS	TOPIC/SCIENCE
	Write a menu for a first class passenger on the Titanic ship. Create a leaflet to advertise it.	Find out the measurements of the Titanic. Draw a picture of the ship and write on the measurements.	Draw a map that shows the route that the Titanic followed.
	Imagine that you worked on the Titanic as a waiter. Write a diary that would explain your daily chores.	Find out the important times that events occurred on the Titanic journey and create a timeline that shows this information.	Make a model of an iceberg that shows under the sea as well as above it.
	Research information about the Titanic and its journey, then present your findings in an interesting way.	Find out 10 numerical facts about the Titanic and its journey. Can you make them into word problems?	Build your own model of the Titanic.

**Challenge:** Create and complete your own task related to your class topic.

**Please complete and return to your teacher by Friday 18<sup>th</sup> October 2019**
