## Homework Policy

## **Introduction**

Rakegate Primary School is a happy, caring, community school which enables all children to develop their full potential academically, socially, spiritually and morally in a safe environment.

At Rakegate Primary School, we believe that homework plays an important part in a child's education. The benefit of doing homework must be instilled at an early age so that independent study can be achieved.

We are also aware that children have opportunities and experiences outside of school that are equally important in developing and enriching their lives. We will give careful consideration to making homework well balanced across the school.

This Homework Policy was developed in consultation with staff members, parents, pupils and with the full agreement of the Governing Body.

## **Aims**

Rakegate Primary School's Homework Policy aims to:

- Work with parents and involve them in their child's learning and to keep them informed about the work their child is covering.

- Every term, the year group Curriculum Information Sheet will inform parents about the main topics and units of work being covered.
- Children have a home reader sent home. The expectation is that they read at home at least three times and a record of this is kept on the GoRead App.
- In Nursery, we may sometimes ask children to bring in items from home or explore topics in their home environments. This will then become part of group discussions and will be linked to the current topic and developing interests.
- In Reception, parents will receive a weekly newsletter which will include any homework tasks to complete with your child(ren) linked to their learning that week.
- In Years 1-6 spelling homework will be set weekly on EdShed (spelling shed) for children to practise.
- In Years 2-6 Classroom Secrets will be used to set a weekly English and mathematics homework task. For the Autumn term, Year 1 will be sending a maths and English task home to complete on paper (with the aim to move to online homework in the Spring term).
- The programmes used for online homework produce immediate feedback and results after completion.
- Parents/carers are encouraged to discuss any errors with their child. If they have any queries, they should make an appointment to see their child's class teacher. Feedback from parents about their child's homework is also welcomed by the school.
- Teachers may occasionally set extra homework for the whole class if they feel it would be beneficial.
- Children will be rewarded at the end of a term for completing homework to a high standard.

- Timetable Rock stars are available for home use..

- The school recognises that pupils with special educational needs and disabilities (SEND) may require that specific tasks be set in the form of Individual Education Plans.
- While pupils with SEND may benefit from special tasks separate from the homework received from other pupils, it is important that they also do as much in common with other pupils.
- A balanced amount of the right type of homework will be set for pupils with SEND, in consultation with the parents and SEND Co-ordinator.
