A message from the Headteacher:

Comic Relief is nearly here, we still have some red noses for sale in school, £1.25 each. You should have received a letter with all the activities which are going on that day.

Class Photographs: Yesterday, we sent the proofs home for the children's class photos, please return orders with the money by 18.03.

New School Dinners! From 1st April 2019,

we will be having a different catering company, Shires, cooking the children's school dinners. We have sampled their meals and are very excited by what they provide. There will be a salad bar where children can help themselves and a separate dessert counter. For the junior children, there will also be a deli-bar menu to choose from! We will send out the new menus for you to see and there will be samples on parents' evening for you to try. Some of the children have helped choose the new menus.

Lunchboxes: We would ask that you be mindful of what you are sending to school in your children's lunchboxes and encourage them to eat a balanced meal.

An ideal lunchbox could contain: a sandwich, salad and/or fruit, packet of crisps and a biscuit, cake or yoghurt.
