

# Reception News

19.10.18

## This week in Reception...

we have been reading the story of 'Little Red Riding Hood'. In Literacy we thought about the sequence of the story and found out and wrote facts about wolves. In Maths we introduced the concept of addition and used Numicon to help us work out the answers. In Understanding of the World we found out about Wolves, looking at where they lived and what they ate. In the creative area we investigated suitable materials for making a new cape for Little Red Riding Hood.

## Next week in Reception...

we will be making our own story based on our favourite traditional tales. In Literacy we will be working together to write our own story, make story maps and act out the story. In maths we will continue with addition. In Understanding of the world we will be thinking about different settings and think which would be the most suitable for our stories. In the creative area we will be making masks for the characters in our story.

## Home Learning

**Reading**- practise recognising the ORT characters, name words and books.

## Reminders

**Water bottles**- Can you please encourage your child not to put their water bottle in their book bags as we have had a number of leaking bottles. Thank you

Half term holiday-break up **Friday 26<sup>th</sup>**  
**October-Tuesday 6<sup>th</sup> November**
